### Scared of Their Angel Friends

Frightened of Their Angel Friends

><br>Angewomon, and Angemon.

>To powerful to be there.<br>Were they sent to protect us,  
>or to hurt us? The answers<br>will never come. When they turn

>into their Mega forms. For we are <br>scared of what they are. Are  
they

>dark Digimon, in their Megas?<br>We will never know, until  
>our crests shine Light and Hope.<br>We pray for our friends safety,

>that they aren't as evil as we think.<br>We learned to trust them,

>even in the darkest corridors.<br>They shine brightly, thats why

>we are afraid. Angemon,<br>and Angewomon. Evil in  
>the bottom of their hearts?<br>
